

## WorkMaster Industry

ST-409-2007/ST-411-5001

- Gas tight chemical protection suit compliant with prEN 943, type 1b
- Extremely comfortable to wear
  - flexible and lightweight
  - easy to put on and take off
  - suitable for use with respiratory protective device worn over the suit, e.g. compressed air line apparatus, CABA
  - can be combined with various ventilation systems
- Long lifetime
  - high level of abrasion resistance
  - additionally reinforced elbows and knees (optional)
  - additional protection of Panorama Nova with wrap-around suit material
  - easy maintenance zip fastener
- High degree of chemical resistance
  - high resistance to acids and bases (similar to HIMEX®)
- Individual equipment options in line with the proven Dräger modular principle
- Special identification marking possible
- Particularly suitable for:
  - tank and boiler cleaning
  - maintenance and repair work in confined spaces
  - chemicals transport
  - special remediation of hazardous waste
  - maintenance and repair work in refineries

## Order list

#### **DrägerService**

Dräger equipment must always be fully operational and safe. DrägerService offers a regular inspection service and is quickly available in the event of malfunction. Your equipment will be repaired and back in operation as quickly as possible. DrägerService facilitates the vital flow of information between client and manufacturer.

#### **Dräger Expertise**

Since 1889, Dräger has had an outstanding reputation for solving problems in the field of human breathing. Dräger has been deeply involved in the handling of gases, in particular hazard protection and the saving of life in medical and industrial emergencies. Many of the company's 8500 employees are active in research and innovation to ensure that the latest techniques and scientific advances are fully tested before their inclusion in new equipment.

#### **Dräger Worldwide**

The Dräger sales and service organisation is spread throughout the world. It comprises more than 25 subsidiaries and associated companies to ensure that Dräger is always within easy reach of its clients and in close contact with all important markets. Dräger's ever increasing market share demonstrates the company's international competitiveness and strength.

Dräger has subsidiaries in the following countries: Australia, Austria, Belgium, Bulgaria, Canada, China, Croatia, Czech Republic, Denmark, France, Great Britain, Hungary, Indonesia, Italy, Japan, the Netherlands, Norway, Romania, Singapore, South Korea, Slovenia, Slovakia, South Africa, Spain, Sweden, Switzerland, Thailand, Yugoslavia, USA. Additionally, Dräger is widely represented in Central and South America, Africa, the Middle East, the Far East and Eastern Europe.

#### **Quality and Environmental Management**

Our mission includes the continuous improvement of our Quality and Environmental Management Systems in accordance with ISO 9001 and ISO 14001.
